

End of Season Show

At the end of the season, Patinage St-Bruno presents its *Revue Annuelle sur Glace*. It is a colorful show that skaters of all levels can participate in. However, before registering your child or yourself for the show, it is important to read the following.

The end of season show will be held during the weekend of April 13 and 14, 2024.

There will be an information meeting to answer your questions, MONDAY, OCTOBER 16 AT 19:00 VIA ZOOM. The meeting link can be found on the show page on our website (in the SEASON 2023-2024 section)

By registering for the show, a skater agrees to participate in all scheduled practices unless there are valid reasons, and in this case, he must advise the director of the show of his absence – spectacle.pstb@gmail.com

Only one absence per show number will be tolerated. Failure to comply with this rule may result in the skater being excluded without a refund.

The performances are prepared by professional coaches who conceive the choreography.

The show practices start on the last Sunday of the Spring break week (March 10). We invite you to consult the practice schedule BEFORE proceeding with registration. **The schedule is available on the Club's website in the section SAISON 2023-2024 – REVUE ANNUELLE SUR GLACE.**

On the weekend of the show, ALL skaters, regardless of age, must attend all 3 performances and participate in the general practice on Friday night. During the general practice on Friday evening, the schedule is made so that skaters in the CanSkate groups can leave early and have a good night's sleep.

Parents may attend all practices except the general practice where only designated volunteer parents may be present.

We count on the parents' collaboration for the costume fitting sessions and the individual photo sessions in the week before the show.

The show counts many participants, with lighting and sound systems, costumes, sets, etc. For this reason, we are charging a fee to attend to each performance, whether places are for family or friends.

Tickets will go on sale starting Friday, March 15, 2024. However, you **do not need** to purchase tickets to attend each of the performances your child attends. The skater is supported upon arrival at the arena by responsible volunteer parents who ensure their safety and well-being.

During performances, no contact is allowed between skaters and parents sitting in the stands. You will meet your child at the end of the show during the controlled exit of the rooms.

It should be noted that for the young participants, it is a big weekend, which can be very tiring. However, so far, the vast majority of skaters who participated in the show have enjoyed their experience!

Registrations

The cost is \$50.00 per number, due at the time of registration.
(\$100.00 for "Waltz" skater + partner)

NEW FOR OUR 50th ANNIVERSARY
A free number for skaters registered on
our ice as of September 29, 2023.

A credit in the amount of \$50.00 will automatically be added to your invoice when registering so, if the skater makes only one number, it will be free 😊. This \$50.00 discount does not apply to former skaters who will join us for a special show number to celebrate our 50th anniversary. We will therefore charge \$100.00 for the old member's show number and a \$50.00 credit will be applied to your invoice so that the fee for the number is kept to \$50.00.

ATTENTION

MAKE AN INVOICE PER SKATER TO BE ABLE TO GET THE \$50.00 CREDIT. (Repeat the registration process from the beginning for each skater by clicking on the registration link on the Club's website).

The deadline for registration is Monday, October 30, 2023. NO REGISTRATION WILL BE ACCEPTED AFTER THAT DATE. However, you can cancel free of charge before January 31, 2024.

Registration costs are non-refundable after January 31, 2024. They are used to cover the rental costs of costumes that are booked shortly after registration. After January 31st we will not be able to reduce the number of costumes we have booked.

When registering, you must choose the group according to the current level of the skater.

Tests passed after registration for the show and before November 30, 2023, will be verified by the test director. If a skater reaches the level required to participate in a more advanced group, they will be contacted to be offered the opportunity to change groups, at no charge.

Exception for STAR "Waltz" (Valse) - Skaters who pass the mandatory tests to participate in this number before November 30 will be added manually and will only have to pay the fee for this number when added.

CanSkate (Patinage Plus) - In which group should I register my child?

All Pre CanSkate or CanSkate skaters can do 2 numbers at the show, either the group number for their level (A, B or C) and/or the CanSkate Closure number (Fermeture Patinage Plus).

When registering, you must choose the group based on your child's current level:

- CanSkate A Group – do not have badge 2
- CanSkate B Group – have badge 2 or 3
- CanSkate C Group – have badge 4 and more (including Transition group)
- CanSkate – Closure (Fermeture Patinage Plus) – all skaters regardless of their level including adults on Mondays and Fridays (all together).

Understand that a badge includes the 3 ribbons.

** There will be no 'boys' numbers this year, our 4 CanSkate numbers will be mixed.

Once registration is complete, to balance the number of skaters between groups, the Director of the Annual Show can make changes as necessary with the agreement of parents without considering last successful badge of the skater.
