

End of Season Ice Show

Registration until October 31, 2025

Payment or cancellation without charge until January 31, 2026

At the end of the season, Patinage St-Bruno presents its *Revue Annuelle sur glace*. It is a colorful show that skaters of all levels can participate in. However, before registering your child or yourself for the show, it is important to read the following.

The end of season show will be held during the weekend of April 18 and 19, 2026.

Members of the show committee will be present at the arena for short information sessions. Session will be held on the following dates:

Friday, October 24th - Between 5:30 PM and 7:15 PM
Saturday, October 25th - Between 8:00 AM and 10:00 AM
Sunday, October 26th - Between 9:00 AM and 10:30 AM
Monday, October 27th - Between 5:45 PM and 8:00 PM

For all information related to the show, please consult our WEB site patinagestrbruno.ca under section **SAISON 2025-2026** and then sub-section **Revue Annuelle**.

For new members of our club, you can view last year's representation to give you an idea of the show (Saturday afternoon).

By registering for the show, **a skater agrees to participate in all scheduled practices** unless there are valid reasons, and in this case, he must advise the director of the show of his absence at spectacle.pstb@gmail.com

Only one absence per show number will be tolerated. Failure to comply with this rule may result in the skater being excluded without a refund. The goal of this policy is to help each group's preparation. There are only 5 practices to learn the choreography of an act.

The performances are prepared by professional coaches who conceive the choreography.

The show practices start on the Tuesday following spring break (March 11 2025). **We invite you to consult the practice schedule BEFORE proceeding with registration. The schedules are available on the Club's website in the section SEASON 2025-2026 – REVUE ANNUELLE SUR GLACE.**

On the weekend of the show, ALL skaters, regardless of age, **must participate in the general practice on Friday night (April 17th) and attend all 3 performances (April 18th and 19th)**. During the general practice on Friday evening, the schedule is made so that skaters in the CanSkate groups can leave early and have a good night's sleep.

Parents may attend all practices except the general practice where only designated volunteer parents may be present.

We count on the parents' collaboration for the costume fitting sessions and the individual photo sessions in the week before the show.

The show counts many participants, with lighting and sound systems, costumes, sets, etc. For this reason, we are charging a fee to attend to each performance, whether places are for family or friends.

Tickets will be on sale starting Saturday, March 14, 2026.

However, you **do not need** to purchase tickets to attend each of the performances your child attends. The skater is supported upon arrival at the arena by responsible volunteer parents who ensure their safety and well-being.

During performances, no contact is allowed between skaters and parents sitting in the stands. You will meet your child at the end of the show during the controlled exit of the rooms.

It should be noted that for the young participants, it is a big weekend, which can be very tiring. However, so far, the vast majority of skaters who participated in the show have enjoyed their experience!

Registrations

The cost is \$50.00 per show number, **due at the time of registration.**
(\$100.00 for “Waltz” number, skater + partner)

A free number for skaters registered on our ice for the whole season.

A credit in the amount of \$50.00 will automatically be added to your invoice when registering so, if the skater makes only one number, it will be free 😊.

**** WALTZ number** - if the partner is a member of the club, register only one member. Only one member will be charged with the number’s fee. For all Waltz skaters: the partner’s name and clothing size (pants and top) must be sent via

email to spectacle.pstb@gmail.com shortly before end of registration (October 30, 2024).

ATTENTION

**MAKE AN INVOICE PER SKATER TO BE ABLE TO GET
THE \$50.00 CREDIT.**

Repeat the registration process from the beginning for each skater by clicking on the registration link on the Club's website.

The deadline for registration is Wednesday, October 31, 2025. NO REGISTRATION WILL BE ACCEPTED AFTER THAT DATE. However, you can cancel free of charge before January 31, 2026.

Registration costs are non-refundable after January 31, 2026. They are used to cover the rental costs of costumes that are booked shortly after registration. After January 31st we will not be able to reduce the number of costumes we have booked.

When registering, you must choose the group according to the current level of the skater.

Tests passed after registration for the show and before November 30, 2024, will be validated by the test director. If a skater reaches the level required to participate in a more advanced group, they will be contacted to be offered the opportunity to change groups, at no charge.

Exception for STAR "Waltz" (Valse) - Skaters who pass the mandatory tests to participate in this number before November 30 will be added manually and will only have to pay the fee for this number when added.

Criteria to participate in each show number

In which group should I register my child?

CANSKATE skaters (Patinage Plus)

All Pre CanSkate or CanSkate skaters can do up to 2 numbers at the show. They can register for either the group number for their level (A, B, C or D) **and/or** the CanSkate Closure number (Fermeture Patinage Plus).

Frequently asked questions and answers:

- 1 – Can my child perform just one number? **YES**
- 2 – Can they perform only the Fermeture Patinage Plus number? **YES**
- 3 – Are all children together for the Fermeture Patinage Plus? **YES**
- 4 – Does my child have to participate in all three performances? **YES**

Before beginning registration, please consult the list of skaters at the end of this document. We have indicated which group you should register your child in.

Once registration is complete, to balance the number of skaters between groups, the Director of the Annual Show can make changes in group attribution. This change is done only after the child parent's consultation.
